COURSE PLANNING SHEET

It's your course! How can we best help you?

Please complete this page to provide a basis for course planning. The more closely you are able to define what you hope to achieve the better we can provide a tailor made, relevant and quality course.

General Course Aims: these may relate to Key Skills, Thinking Skills, Values and Subjects in the National Curriculum

Objectives : NC Subject and 'Breadth'	Objectives : 'enquiry' and 'skills' to be developed	Objectives: 'knowledge' and 'understanding' to be developed

Other points: e.g. do you wish to monitor outcomes and record personal achievements? Is differentiation an issue? How do you wish students to record their work and experiences etc?
